

GERMAN SHEPHERDS

STR:6 DEX:13 WIL:12 PER:12 INT:Not applicable

HAND-TO-HAND COMBAT PRIMARY CHANCE: 25

HAND-TO-HAND DAMAGE CLASS: D

SPEED: 3

EVASION PRIMARY CHANCE: 20

Note: The above values in no way indicate that a German shepherd could open a lock with its Dexterity. The dogs are given these Characteristic Values for ease of play.

The dogs are trained to track down and attack trespassers. In a chase you can bid them down to at least 4 (lower if they succeed at an Ease Factor 5 WIL roll). Their Speed of 3 is merely an indication of how fast they react in a fight; they only get one attack per Action Round, however.
